08 - 10 Maggio  
**2024**

# **PROGRAMMA SCIENTIFICO** (aggiornamento gennaio 2024)

**EVENTO: 23° CONGRESSO NAZIONALE IEA – Associazione Italiana Endourologia**

08-09-10 Maggio 2024

Camera di Commercio di Verona - Verona

Presidente del Congresso: Prof. Alessandro Antonelli

Presidente Onorario del Congresso: Prof. Giampaolo Bianchi

Segretario generale IEA: Prof. Roberto Mario Scarpa

## **Day 1 (8 th of May)**

**13:00 Welcome** A. Antonelli, G. Bianchi, RM Scarpa

**13:30 ESUT LECTURE**

**13:45 SIU LECTURE**

**14:00 Live surgery 1**

SCREEN A (sala 1 VR)

Robotic assisted reconstructive surgery

SCREEN B (sala 2 VR)

Percutaneous NephroLithotomy (PNL)

SCREEN C [prerecorded surgery on technical details]

Radical prostatectomy: different ways to skin the cat

**15:30 Lectures Corner 1**

BPO and P ca Lecture # 1

BPO and P ca Lecture # 2

**16:15 SUN LECTURE**

Why all the steps of kidney transplantation should be performed by urologist?

**16.30 Lights on laser(s) (30' of prerecorded surgery)**

SCREEN A

Laser based surgery for BPH

SCREEN B

Laser based surgery for BPH

SCREEN C

Laser based surgery 3 for BPH

## **17:00 Live surgery 2**

SCREEN A (sala 3 VR)

Laparoscopic partial/radical nephrectomy

SCREEN B (broadcasted from Orbassano)

Robotic assisted flexible ureteroscopy for kidney stone

SCREEN C [prerecorded surgery on technical details 20'+10' discussion]

Percutaneous access during PNL: different ways to skin the cats

Video #1

Video #2

Video#3

## **18:30 Adjourn**

## **Day 2 (9 th of May)**

### **8:30 Live surgery 3**

SCREEN A (sala 1 VR)

Robotic assisted renal surgery

SCREEN B (sala 2 VR)

Robotic assisted renal surgery

SCREEN C (Prerecorded/Broadcasted)

TBD

### **10:30 Lectures corner 2**

Water Vapor Therapy for BPH: state of the art

Lecture #2 TBD

### **11:00 Face to face on SRM treatment**

### **11:40 Pediatric Corner**

### **12:45 Live Surgery 4**

SCREEN A (sala 1 VR)

Robotic assisted radical prostatectomy

SCREEN B (sala 2-3 VR)

Laser- based Endoscopic Enucleation of prostate (EEP)

Endoscopic Combined Intra Renal Surgery (ECIRS)

SCREEN C (Relive surgery)

Endoscopic/Percutaneous surgery for kidney stones # 1

### **14:15 Lecture**

IEA 2023 live cases: did everything go smoothly?

### **14:30 Lecture**

Bladder Injury Classification during endoscopic procedure

#### **14:45 VIDEO AWARD – Paolo Ribotto Columbus Award**

The best 5 videos, selected by Scientific Committee, will be voted by the congress participants via the congress app

#### **15:45 Live surgery 5**

SCREEN A (sala 1 VR)

Laparoscopic partial/radical nephrectomy

Robotic assisted radical nephrectomy: an extreme case (30')

SCREEN B (sala 2-3 VR)

Robotic assisted surgery

Salvage rezius sparing radical prostatectomy: tips and tricks

SCREEN C (Prerecorded)

Endoscopic surgeries of the Lower Urinary tract/MRI/US fusion biopsy: platforms and techniques

Video#1

Video#2

Video#3

Video iTIND

#### **17:45 MMISU Lecture**

#### **18:00 Last but no least lecture**

“Immersive” Technologies in Urology

#### **18:30 Administrative Assembly**

## **Day 3 (10<sup>th</sup> of May)**

### **08:30 Live Surgery 6**

SCREEN A (broadcasted from Policlinico di Modena)

Robotic assisted partial nephrectomy  
Retrograde intrarenal Surgery (RIRS)

SCREEN B (sala 2-3 VR)

Endoscopic treatment for UTUC

Laser based treatment for BPH

Percutaneous cryotherapy for Kidney cancer (prerecorded)

SCREEN C (prerecorded)

Laparoscopy and Robotics for female incontinence and prolapse

### **10:30 CLU LECTURE**

**10:45 Round Table Robotic Intracorporeal neobladder: a video based session**

### **12:00 Live Surgery 7**

Robotic assisted procedure

SCREEN B (broadcasted)

Robotic assisted procedure

BPH surgery

SCREEN C (prerecorded)

Endoscopic/Percutaneous surgery for special conditions

### **13.30 Adjourn**
